

## K5 Newsletter February 28, 2024

I am sending the newsletter home today since there is no school on Friday and several of the students in our class don't come to school on Thursday. How can it be that it's almost the month of March? I can't believe we only have **ten weeks of school left!** This week during **Bible Time** we concluded the unit on the life of Jesus. It was so amazing to hear about God's power. In **Phonics Time**, we learned the special sounds: **oi** in coin, **oy** in boy, **oo** in book and **oo** in tooth. During **Math Time**, we continue to work on addition; counting by ones, twos, fives, and tens; telling time to the hour,  $\frac{1}{2}$  hour and  $\frac{1}{4}$  after the hour; counting money (pennies, nickels, dimes); the number that comes before another number; and number words (one-ten). In **Social Studies** we are learning about our country.
