

We've completed our 3<sup>rd</sup> week of school! It's hard to believe that fall is only one week away! I love this time of year and am thankful to God for the seasons! During **Bible Time** we learned about days 4-6 of creation. God is a wonderful God who created a beautiful and abundant world for us to enjoy. We were made for Him and we should bring Him glory all the days of our lives. In **Letter Time** we learned the last two vowels Aa and Oo. In **Number Time** we worked on identifying and counting the numbers 1-20; learned about the penny; same and different; and the proper formation of the number two. In **Social Studies** we continued learning about Community Helpers. The focus this week was pastors, firefighters, and police officers. We are thankful for how they serve and help us.
